All Urban Agriculture Permit Applications must be accompanied by the following items:

- A sketch of the property (and adjoining properties, if necessary) showing:
 - A fully enclosed, secure area (pen) not to exceed a total of 128 square feet
 - Location, dimensions, and materials of the pen and coop. An enclosed coop with a minimum of two (2) square feet per hen and an open run area containing a minimum of eight (8) square feet per hen is required. It should be noted if the pen and/or coop are portable.
 - Setbacks: 15 feet from all property lines; 50 feet from any adjacent residential dwelling or any other building used for residential purposes other than the owner of the chicken hens or bees.
- Management plan addressing protection from predators, the use of feeding and bedding materials, management and disposal of waste, and other factors deemed relevant to the protection of public health. **Renewal applications do not need to resubmit sketch and maintenance plan if no changes have been made to these documents from the granting of the original permit.**
- Annual fee of \$25.00

I hereby certify that I have authority to make this application and to the truthfulness of the information in the application and that if any of the information provided is incorrect, the Permit may be revoked. I certify that in accordance with Section 507 of the Town of Pulaski Code, regarding Urban Agriculture, that I am responsible for any and all complacency. If the permit is issued wrongfully, whether based on misinformation or an improper application of the Code, the Permit may be revoked. By signing this application I am hereby certifying that I am responsible for conveying all information relevant to this application including Building, Zoning, E&S Control Codes and all other applicable codes to the property owner and/or applicant
