WELCOME

Experience the lifestyle of Pulaski County: an evolving rural, mountain community with plentiful amenities, deep agricultural roots, and advanced manufacturing operations.

Pulaski County is serene countryside. The natural backdrop of rolling hillsides and green pastures is overviewed by the stoic Blue Ridge Mountains. Flowing, sun-lit morning and evening skies appear as if they were painted. The natural landscape offers numerous outdoor adventure possibilities. Play golf on one of our four golf courses, float the rapids of the New River on a tube or kayak, motor boat on Claytor Lake, settle into a secluded fishing spot, walk the New River Trail, and bike through several scenic paths.

Pulaski County is evening entertainment. Complete your day by rooting for the home baseball team at historic Calfee Park, or dining at a local restaurant with the cuisine of award-winning chefs. For those quieter moments, relax on a porch, listen to the birds, smell the soft fragrance of the wild flowers, and take in the surrounding beauty.

Pulaski County is historically agricultural. The county is home to several fully operational farms that continue to thrive amidst a surge of industrial development.

Pulaski County is advanced manufacturing. Eight international, cutting-edge, manufacturing corporations assemble their products in Pulaski.

The county offers urban-like conveniences such as an international airport, railways, Interstates 81 and 77, and higher education opportunities at nearby institutions, including New River Community College, Radford University, and Virginia Tech.

Pulaski County is a hidden gem. Come enjoy all we have to offer and discover why we love our community!

Pulaski County is ... Awaiting You!

Mountain2Island Paddleboard Co.

Mountain 2 Island opened for business in 2015 with the mission to spread passion and love for the water from the mountains to the islands and everywhere in between.

Rent paddleboards, kayaks and canoes or buy kayaks and paddleboards. Either way, Mountain 2 Island encourages visitors to get in the water. Choose to paddle alone, with friends, family or even your dog!

The Mountain 2 Island retail store opened last year on the Lee Highway in Fairlawn, just across the river from Radford. We have three other waterside locations at Claytor Lake State Park Marina, Dehaven Park on Claytor Lake and, as of 2019, at Gatewood Park, campground and reservoir.

Not the paddling type? Mountain 2 Island also rents pontoon boats on Claytor Lake.

Whatever you choose to do on the water, choose Mountain 2 Island to provide for your paddling and boating needs.

Claytor Lake Beach Festival

The 22nd Annual Beach Festival at Claytor Lake State Park is set for June 8, 2019. The festival kicks off the summer season for the park each year. The state park is located in Dublin, Virginia.

The festival committee plans a wonderful day at the lake. This year's activities includes arts and crafts vendors, food vendors, wine tasting from Virginia wineries, annual car/motorcycle show with registration the day of festival, local law enforcement display, Yearout fishing tournament and essay contest, radio controlled airplanes doing tricks and stunts, children's activities, Claytor Lake Ambassadors boat parade and live entertainment.

The festival begins at 10:00 a.m. and ends with fireworks at dusk. The live entertainment begins at 11:45 a.m. and continues until the fireworks begin and resumes after the fireworks.

The Festival is planned by the Claytor Lake Festival Committee, a partnership between Pulaski County, Claytor Lake State Park and the Claytor Lake State Park Ambassadors. For additional information you may call 540-643-2500 or email the festival Committee at claytorlakefestival@gmail.com

Enjoy the Outdoors at Virginia State Parks

You will find plenty of programs, events and activities at Virginia State Parks. Our 38 parks have thousands of campsites, hundreds of cabins, more than 500 miles of trails and convenient access to Virginia's major waterways. Trails, picnic shelters, family lodges, meeting facilities, festivals, concerts, nature programs and cultural happenings... the list goes on and on. Pulaski County is fortunate enough to have two Virginia State Parks right in its own backyard. Claytor Lake and New River Trail offer both adventure and relaxation for every age.

At **Claytor Lake State Park**, draw inspiration from the lakeside setting. The park is ideal for swimming, camping, hiking and picnicking. Claytor Lake is known for sport fishing and boating and the park has a full-service marina with docking slips, supplies, fuel, boat rentals and refreshments. The Water's Edge Meeting Facility is perfect for weddings, receptions and reunions, and wedding packages are available.

Claytor Lake State Park is one of few parks with waterfront cabins with docks. The park's three lodges and 15 cabins all overlook the 4,500-acre lake, offering guests a scenic retreat. The historic Howe House has interactive exhibits describing the ecology of the lake and surrounding areas.

There is something for everyone at Virginia State Parks. Whether you are after a relaxing picnic or a two-week vacation, leave life's daily pressures behind and reconnect with nature and your family at a nearby state park.

Claytor Lake State Park
Spend a day at the beach or a week in a cabin. The park offers a marina, boat rentals, picnic shelters, yurts and the Water's Edge Meeting Facility.

Enjoy the Outdoors at Virginia State Parks, cont'd

New River Trail State Park offers a 57-mile linear park that follows an abandoned railroad bed. The park parallels the scenic and historic New River for 39 miles and passes through four counties and Galax. The trail's gentle slope makes it great for visitors of all ages to hike, bike and ride horseback. The park's Foster Falls area offers guided horseback trips, canoe, tubes and bike rentals, boat launches, gift shops, and a horse arena. Fishing is popular, and primitive campsites dot the trail.

New this year is the Hoover Mountain Bike Area with 3.7 miles open for use in the Hiwassee section of the trail.

Rentals are available at the Foster Falls Boat and Bike Livery:

- phone: 276-699-1034
- open Fridays, Saturdays and Sundays from April to Memorial Day
- open seven days a week Memorial Day to Labor Day
- Fridays, Saturdays, and Sundays, Labor Day through October

For more information, call 276-699-1034. Guided trail rides are available April through October (closed Tuesdays and Wednesdays). Except for a two-mile section, the trail is available for horseback riding. Equestrian campsites are available.

Dublin Lions Club Brings Visitors to Pulaski County

The Dublin Lions Club was founded in 1953 and has now been serving the local community and the state of Virginia with over 50 years of humanitarian service.

The motto of every Lion is "We Serve". The club's major emphasis is placed on helping the local community, however, the Dublin Lions Club also supports state, national, and international projects that aid humanitarian efforts. The founding of the "Lions Club" movement was based on a challenge by Helen Keller to help combat blindness. That challenge still serves as the driving force for all Lions Clubs.

The Mission Statement for all Lions Clubs is:
To create and foster a spirit of understanding among all people for humanitarian needs by providing voluntary services through community involvement and international cooperation.

If you are a civic-minded individual who is willing to donate some time and effort toward making our community a better place to live, feel free to call 540-674-2754 ext. 6 for an invitation to a club meeting and find out how you may become involved.

The Dublin Lions Club has its regular dinner meeting each 3rd Thursday of the month at 6:30 pm. The meetings are held at the Dublin Lions Club Building. in Dublin. A guest speaker is usually featured at each meeting concerning topics of interest to all members. The meetings provide a format for all members to enjoy good fellowship and a good dinner.

The Dublin Lions Club sponsors two flea markets per year at the New River Valley Fairgrounds. The first market is scheduled in June and the second in September.

The major business of the club is conducted by the elected board members on the second Thursday of each month at 6:30 pm. All club members are invited to attend and voice their opinions on matters brought before the board but do not have a vote. The board meeting is held at the Dublin Lions Club Building.

The following projects represent the major fundraising activities for the Dublin Lions Club. The money from these projects go to support community needs such as: eyeglasses and hearing aids for those who cannot afford them; eye vision clinics; monetary assistance for the needy; and many other activities.

Flea Market
The Dublin Lions Club sponsors two flea markets per year at the New River Valley Fairground. The first market is scheduled in June with the second in September. We provide over 800 sites for people wanting to display their wares. Most of these sites are normally reserved a year in advance. Approximately 150 of the 800 sites are under cover. For space rental information, please call 540-674-2754 ext. 2.

Concessions at the New River Valley Fair
The New River Valley Fair is held each year at the New River Valley Fairgrounds in August. The Dublin Lions Club mans their concession booth and sells "Lion Dogs" and soft drinks. These "Lion Dogs" are frankfurters on a stick, dipped in a secret batter, deep fried, and served with mustard or ketchup. Many people who regularly attend the fair have been heard to say that they come for the "Lion Dogs."

Christmas Craft Show
The Dublin Lions Club sponsors a Christmas Craft Show at the New River Valley Fairgrounds each November. Space rentals are available in the two buildings just inside the main gate. Exhibitors are selling everything ranging from homemade Christmas crafts to homemade candy. You can contact the Craft Show Chairman at 540-674-2754 ext. 5 for information or space rental.

New River Valley Regional Theatre

NRVRT

The New River Valley Regional Theatre produces high quality professional shows utilizing the talents of regional, national, union, and non-union talents. Although they are primarily based out of the historic Pulaski Theatre located at 14 W. Main St. in downtown Pulaski, they are continually reaching out to spread the joy of live theatre in different locations throughout Virginia's New River Valley. Performing both published and original works, the New River Valley Regional Theatre is known for providing high quality professional standards at very affordable prices. ($25 - $30)

They are also the creators of The Pulaski Radio Show which is performed, streamed live, and podcast in front of an audience at the Pulaski Theatre every 4th Saturday of the month (with exceptions of June, July, August, November). At only $15, this show provides two hours of old fashioned fun with a different guest band (usually bluegrass/Appalachian style), actors, a guest host, audience participation and prizes! In 2018, they brought the house down with Always, Patsy Cline, and their Holiday Show (Holiday Magic) was never without a standing ovation. This season, look for the delightfully funny 1950s musical, Forever Plaid; the thrills, plot twists, and suspense of Ira Levin's Deathtrap; another great Holiday Show; and pop up surprises (including Murder Mysteries) throughout the New River Valley!

Pulaski Theatre: History Comes to Life

Walk down Main Street in Pulaski on a concert night at Pulaski Theatre, and you might hear songs of The Rolling Stones, Tom Petty, Pink Floyd, Johnny Cash, Fleetwood Mac, Billy Joel or other popular musicians filtering into the nighttime air. Though it's not the original artists performing, Pulaski Theatre is developing a reputation in the NRV and beyond as "the place" to go for the best tribute bands in the nation.

On other nights at the fully-renovated, up-to-date , and historically charming theatre, you might find:

- movies
- performances by nationally recognized theatre groups
- community choir concerts
- ballet performances

The 1911 building, originally conceived for vaudeville shows, was converted to a movie theatre as motion pictures gained favor over vaudeville in the 1930's. It continued to entertain moviegoers for 54 years, but closed in 1991 as video rentals and cable television gained in popularity.
Two years later, having fallen into disrepair, the theatre seemed destined for the junk heap if not for a group of citizens, known as Friends of Pulaski Theatre. The group took ownership from the county and began the long-fought task of raising money to restore the theatre to its original glory. Even today, the Friends continue to volunteer their time to run the theatre. It has taken years of hard work to get the theatre where it is today: a jewel of Pulaski County and the New River Valley.

Drive by varied and historical architecture on Pulaski homes on Prospect Avenue in Pulaski.

Battle of Cloyd's Mountain Civil War Battlefield

Route 100 North, Dublin, VA 24084
The Battle of Cloyd's Mountain was a Union victory on May 9, 1864 that allowed the Union forces to destroy that last line connecting Tennessee to Virginia, the Virginia and Tennessee Railroad, located in Dublin. Future presidents Rutherford B. Hayes and William McKinley both fought at Cloyd's Mountain.

Historic Calfee Park

Calfee Park is the ninth oldest professional Minor League Baseball park in use in America. It offers an impressive, fan-friendly atmosphere for watching the Pulaski Yankees, a team who has been crowned the Appalachian League champions six times since 1946.

In 2015, Calfee Park underwent new ownership. Since the transition, more than $9 million has been invested into renovations and facilities, while retaining the historic appeal of the park. These upgrades include:

- a new covered picnic area
- lodging facilities for the players
- a new clubhouse
- new home-team dugout
- upgraded box suites
- the only jumbotron in the Appalachian League

The 2019 renovations include the addition of approximately 350 new seats along the third baseline, including 30 accessible and companion seats and 11 new boxes. A new concourse will be added behind the existing seating section to improve accessibility for fans to the third base side.

Some of the best talent now in the Major Leagues have played in historic Calfee Park on their way up the ranks. Hundreds of players and coaches on current and past Major League rosters, such as Mike Schmidt, David Justice, and Travis Snider, have played for the home and visiting teams in Calfee Park.
